

Note!

Please note that there can be small differences between your product and the images in these instructions.

Note!

Please note that during storage and transport, especially at high ambient temperature, some of the oil and grease used for assembly may leak and stain the packaging. This will not cause damage to the product, wipe off the excessive oil or grease with a cloth.

Note!

Before you install this product, check the kit contents. If anything is missing, please contact an Öhlins dealer.

Warning!

Before you install this product, read the Öhlins Owner's manual. This product is an important part of the vehicle and the vehicle stability.

Cancellation kit Mini Cooper F55/F56/F57 2013-

35020-29

Mounting Instructions

MOUNTING INSTRUCTIONS

⚠ Warning!

We strongly recommend to let an Öhlins dealer install this product.

⚠ Warning!

If you work with a lifted vehicle, make sure that it is safely supported to prevent it from tipping over.

Front axle

1

Run the standard damper control wire to the supplied electronic component connector. Insert the standard connector into the electronic component connector until it locks.

2

Fix the canceller and the wire with cable ties on the vehicle bar.

MOUNTING INSTRUCTIONS

⚠ Warning!

⚠ Warning!

If you work with a lifted vehicle, make sure that it is safely supported to prevent it from tipping over.

Rear axle

1

Run the standard damper control wire to the supplied electronic component connector. Insert the standard connector into the electronic component connector until it locks.

2

Fix the canceller with supplied edge clips on the chassis edge. Then attach the wire and the connector with cable ties on the wire harness.

Öhlins products are subject to continuous improvement and development, therefore, although these instructions include the most up-to-date information available at the time of printing, minor updates may occur.

To find the latest information contact an Öhlins distributor. Please contact Öhlins if you have any questions regarding the contents in this document.
